CLUTTER-FREE GIFT PLANNER

Our Non-Toy Gift Plan

One idea per row keeps gifts meaningful. Child: _____ Age: ____ Budget: _____ Share it with grandparents so everyone picks a different row.

Category	Idea	Who's giving it?	Cost
Something to DO outing, class, membership, a day with one grown-up			
Something to MAKE art supplies, a coloring book, baking kit			
Something to READ a book, library-card holder, magazine			
Something to WEAR pajamas, a dress-up piece, rain boots			
Something they NEED a backpack, a cup, a new toothbrush			
Something to GROW seeds and a pot, a savings jar			

Something to open on the day
For an experience gift, wrap a small "clue": a ticket you made, a map, a mitten for skating, a whisk for baking.

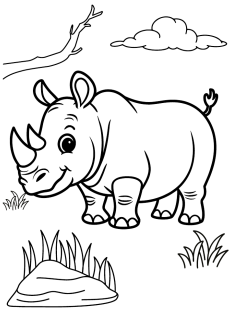

Put a date on it
Write the day of the outing on the coupon. Little kids find "someday" hard to wait for, so sooner is better.
